CHILTERN HOUSE PRESCHOOL

NOW OPEN: Bangsar and CITTA Mall centres are open to support working parents

With more families now returning to physical classes at the centres, it's been a tremendously exciting time for the fully vaccinated Chiltern House team as we continuously welcome more children back week after week in our present Term 4.

As part of our enhanced and continuously updated Safe Management Measures in line with the nation's COVID-19 development, all adults in a family's household must be fully vaccinated before the student makes his/her return to the centre. We are extremely thankful for the unwavering support that we have been receiving from all of our families as we gradually ease back into the new normalcy of life at school.

ON THE COVER

SAFE MANAGEMENT MEASURES: Health and safety procedures in school continue to be strictly implemented and include the additional requirement of all adults in the household to be fully vaccinated.

NEW: P1 PREP COURSE

EARLY BIRD: Enjoy 10% off the fees when you sign up by 29th October 2021

Chiltern House is pleased to introduce the new P1 Prep Course programme for **children who are turning 7 in 2022**. With the announcement by the Ministry of Education on the commencement of next year's Primary 1 in March 2022, the P1 Prep Course is a comprehensive short programme devised by our curriculum specialists in close collaboration with Chiltern House Singapore to reinforce the set of skills acquired from Kindergarten 2 as preparation for the Primary 1 curriculum - delivered in three languages (English, Mandarin, and Bahasa Melayu).

With new additions such as the T.H.R.I.V.E. subject, this 8-week course will be led by a team of experienced educators employing the EduDrama® methodology, in a small group, focused classroom.

There is a course prerequisite that should be fulfilled prior to confirmation of enrolment into the course.

READERS & WRITERS e-CAMP (Season 2)

Julia Gabriel Centre's highly anticipated **SEASON 2 of the Readers & Writers e-Camp** designed for **ages 3 - 8 years** is making its way to you this November 2021!

A multi-sensorial experience for young children to acquire reading and writing skills, this new season of our JGC@Home online Readers & Writers e-Camp will feature even more exciting engagements where your children will be guided at every step of the way by our team of specialist educators in **6 classes over 6 weeks** to acquire and improve their reading and writing skills. Using a specially selected reading scheme, we seek to motivate children and ignite their interest in books even at a young age.

Our unique EduDrama® methodology incorporates drama to motivate and encourage individual development as children grow to become confident, independent and expressive readers and writers through a highly engaging **small group classroom**.

DRAMATICALLY DIFFERENT CONVERSATION

Meet

Hurin Shukor,
Admissions Manager

We speak to **Hurin Shukor**, our new Admissions Manager for Julia Gabriel Centre and Chiltern House Preschool Kuala Lumpur.

Q1. First of all, congratulations on your new appointment! Can you tell us more about yourself?

HURIN: Thank you! I first joined the Julia Gabriel family in October 2017 as a teacher after having completed my Bachelor's Degree in Psychology and Communications. Prior to completing my studies, I was also working part-time at an after school programme centre. I guess you could say being around children is something I enjoy and I feel truly blessed to have been able to make a career out of it so far.

Q2. Prior to becoming the new Admissions Manager, you were a Senior Teacher at Chiltern House. What prompted the career move, and how has this new experience been for you so far?

HURIN: Yes, I was a Senior Teacher before taking over this role. It was never something that I had actively planned for, to eventually venture out from a career in teaching but my approach to life is that it is simply too short to limit yourself to be doing and experiencing one thing alone. The change came very organically and when the window of opportunity opened, it felt right to take it up as my next challenge. I am one who thrives on challenges and I appreciate the knowledge and experience that I have gained and helped nurture my growth, both as a person and in my career. I have to acknowledge that is not the kind of opportunity that comes by often and now that I am at it, it has been a great experience for me so far! It's still a learning process for me, but the whole team has been really supportive of my new role and responsibilities and I hope to progress further in this path.

Q3. With the preschool's Open House happening right now, what do you look forward to most being in this new role?

HURIN: This will be the first Open House under my helm and it's an understatement to say just how excited I am to welcome new families to our centre and show parents what Chiltern House stands for and

what makes us the dramatically differently school that we are. The EduDrama® philosophy and methodology developed by Julia Gabriel, and the values that we stand so strongly for are seamlessly woven into our school culture and as a community, we are proud of how far much we have accomplished over the past 15 years of our establishment since 2006 - as seen through the past graduates of Chiltern House; the self-leaders who continue to be empowered by the lifelong skills they have acquired over their time here.

Join Ilia and Shasha from the Admissions team at the Open House.

Q4. What can prospective families expect from the Open House?

HURIN: They can expect to see where all the magic happens and my team and I shall be looking forward to giving families an overview of what their child can experience and benefit from our exciting multilingual preschool programme. Come meet and speak with our passionate company leaders to discuss about your needs and expectations of your child's learning journey and to learn if Chiltern House would indeed be the right fit for your family. Gain some insight into our school culture and

Hurin, in her previous role as Senior Teacher at Chiltern House.

what makes us such a different school where families over the decade and plus have attested to our passion and warmth.

In line with the Open House, families are entitled for a 50% Registration Fee Waiver worth RM400 when they sign up during this limited period of time.

However, visitors are required to adhere to a strict compliance of our health requirements and there will only be a limited slot each day after school hours for visits. So make sure you schedule yours early!

Q5. From an educator's point of view, what are some of Julia Gabriel Centre and Chiltern House's strongest assets and how have they played a part in shaping you into becoming the person that you are today?

HURIN: To me, ever since I started working at Julia Gabriel, the term 'dramatically different,' was and still is something I stand for and can relate to. It encourages me to not be afraid to be myself and to appreciate every bit of my character. It helped build my confidence over the years and gave me courage to take chances and accept challenges with a positive mindset. That would be one of the things I value most.
