## CHILTERN HOUSE PRESCHOOL

Hello Mont' Kiara!

# EDITORIAL

Happy New Year!

Welcome to 2018!

I have a great feeling of enthusiasm and eagerness for the journey that we are about to embark this year. Looking back at 2017, it was a challenging year for us, but as passionate educators, we will continue to persevere and have confidence to deliver excellence in education.

As my first editorial for the year, my team and I would like you to be part of our continuous effort in growing the potential of your children. Parents as Partners has always been an important element at Julia Gabriel Centre, Chiltern House, and Chengzhu because we believe that good parent communication is essential for creating strong home to school relationships with families. This year, we also welcome to our family, Chiltern House Mont' Kiara, our 3rd centre. With a team of dedicated educators, we will continue to grow, inspire and nurture your children.

So please share your inspiring ideas and resources in early years with us.

Thank you for sharing your children's journey with us, and I look forward to another year of play and learning.

## NOVEMBER 2017 HOLIDAY PROGRAMMES

A school holidays to treasure.

**W**e enjoyed an amazing week of fun and adventures in Bilingual PlayClub and our Speech & Drama and Readers & Writers Camp during the year end holidays.

We made new friends with the wonderful characters of Winter Wonderland, danced to our heart's joy at the masquerade ball, played Sherlock and helped solve mysteries of masks and we even went on a host of unforgettable globe-trotting journeys!

As the saying goes, "There are a lot of stories out there waiting for you to live them!". *So off you go!*

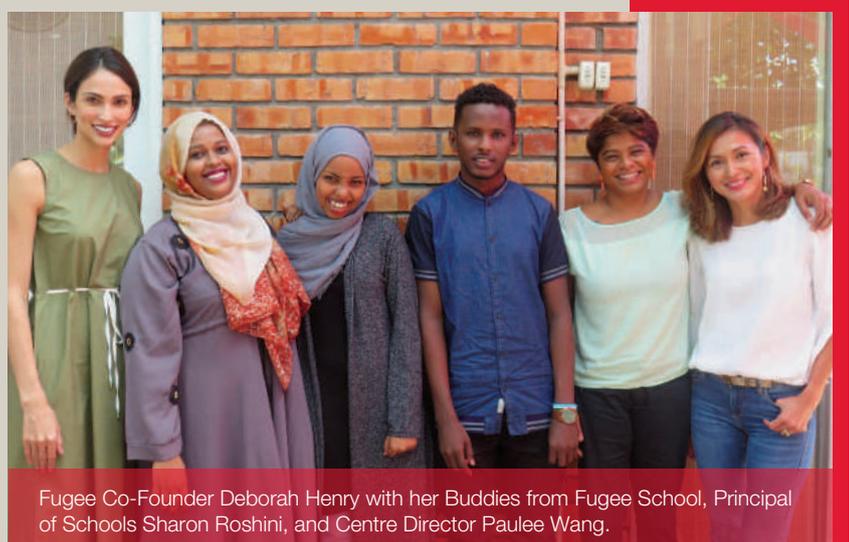

Our next Julia Gabriel Centre holiday programmes will take place in June 2018. Stay tuned!

**"F**ugee students love Art and were very excited to be part of the Chiltern House Art Show. They got to have lots of fun expressing themselves and they also learnt a little about new art techniques. They were very proud and reassured to know that their paintings were bought at the auction and will be on the walls in people's homes. A big thank you to the Chiltern House team who had worked closely with the students, and believe in the vision of Fugee School." - Deborah Henry.

## ART FOR THE SOUL

We welcomed Deborah Henry, co-founder of Fugee School, for a cheque presentation of funds received from last year's Art Show.

**C**hiltern House Mont' Kiara opened its doors to a warm welcome at Gateway Kiaramas, housing comfortably alongside Julia Gabriel Centre, and Chengzhu Mandarin Centre. We greeted our first batch of students in Nursery One and Nursery Two, who eagerly began their first day of school on January 3rd.

Intake is currently open for Nursery One and Nursery Two levels only (children who are turning three and four years, respectively).

## Farewell 2017: A Year's Journey

**K**udos to all our Nursery One, Nursery Two and Kindergarten One children for putting up a spectacular line-up of performances during their year-end celebrations, and to the Kindergarten Two children in their Graduation.

From Broadway-style dancing, to exciting dramatic acts, and beautiful songs presented in English and Mandarin and even in Bahasa Melayu, the stars of the shows were most undeniably the children!
